# YEARBOOK\$

ERSMAN.

— Frank Molinaro

Peff,

another year's gone by, & we'll be big seniors - yah!  
I can't wait! We were a lot closer last year than  
we were this year, but I guess that's 'cause we  
didn't see each other too much. We were close  
last summer, & I hope we get close again. I mean  
it o.k.? We'll be buddies next year. Remember when  
you gave me your school ring & we went steady  
for a whole period! Wow! I'm sure you were  
just thrilled! I'm really happy your Doreen  
are still going out. I wish I had that kinda  
luck, but what can I say? I lose again.  
I wish you the best of luck with her Peff.  
Well, come visit me this summer, o.k.? Just  
like last summer. I mean it! If I'm down  
your way, I'll stop in too! Best of luck in  
the future. Let's stay friends! Love,  
Caryn

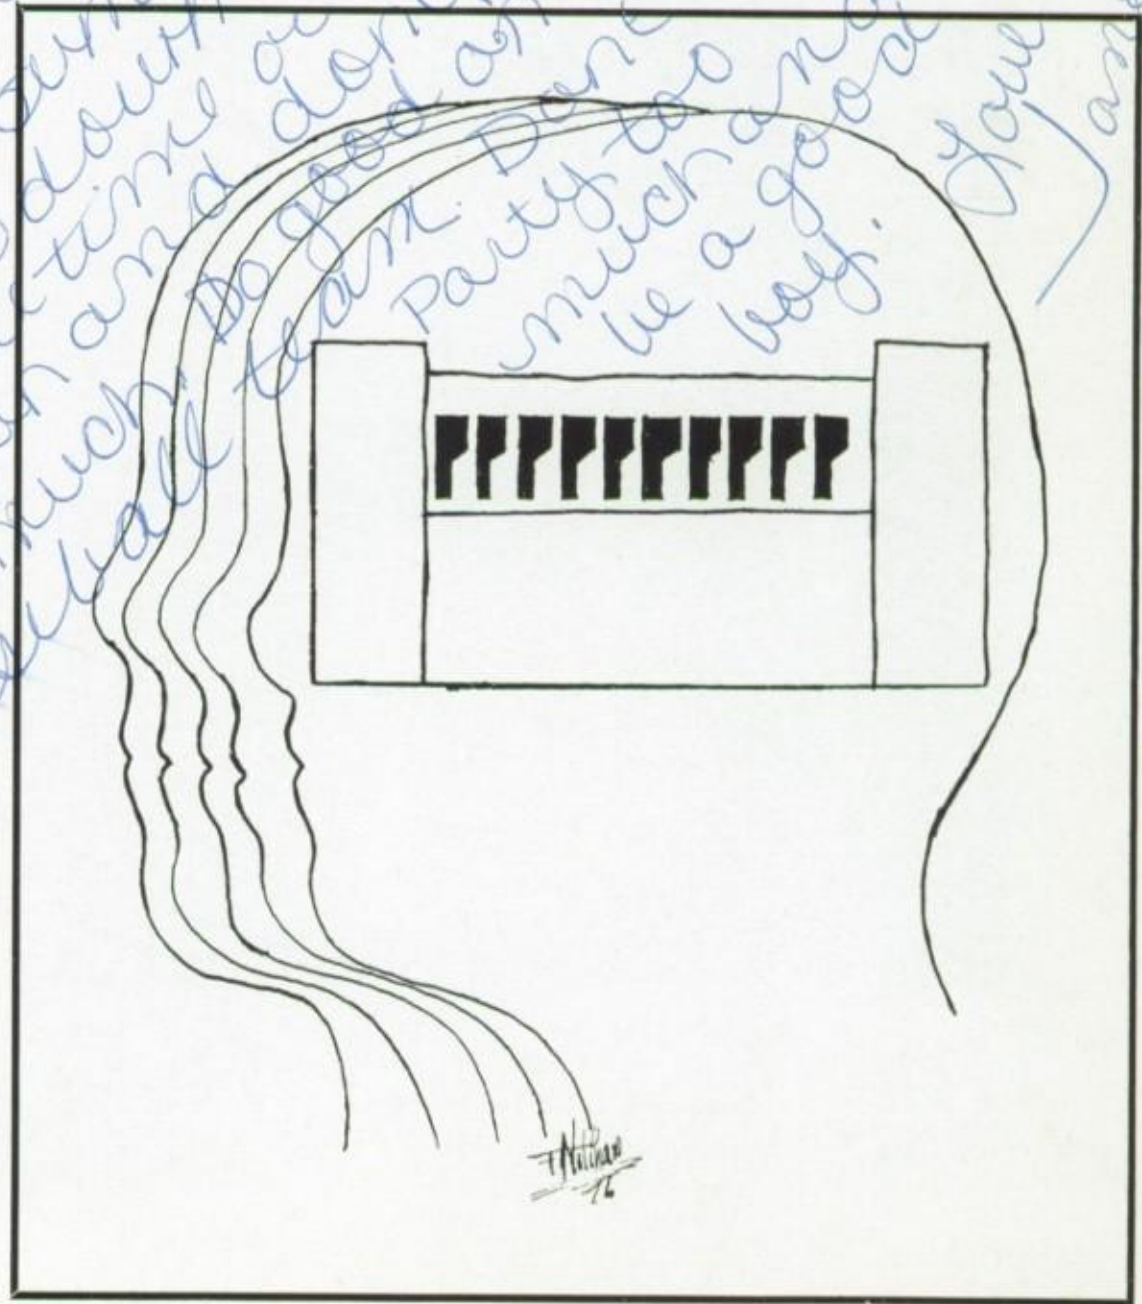

Jeff, I'm glad that you and I got to meet each other this year. I had a really great time in Florida. I'll never forget the ocean, the 504 to get on the pier, the burger king and your freak with the gay bar, the flute player. Bernie was a very nice guy. I could go on and on about Florida but I'm running out of room.

"The world is my school. Life the teacher. Surfing an affair with the sea. I'll never forget Sue, I'm coming home. "The Green Room Gang", Radical Rick, Sundance, Kropper, Red Ghongi, Weird Harold."

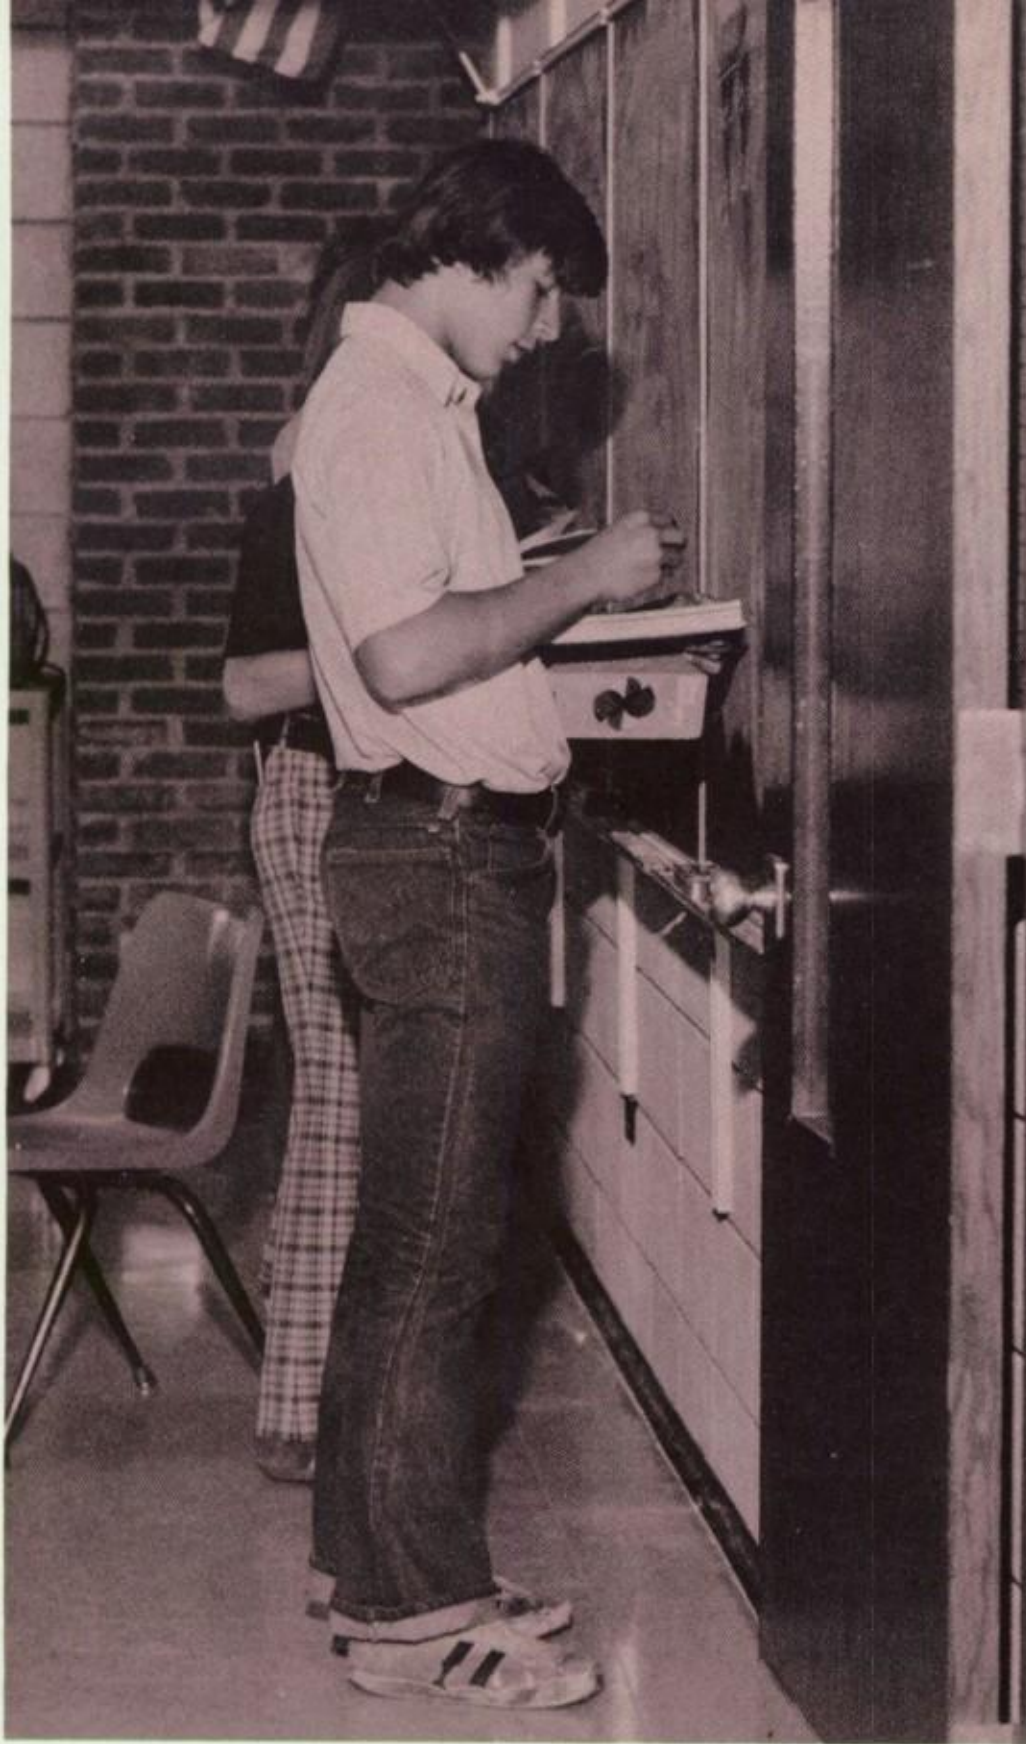

Don't forget to pay for the chair in the Aud.

JEFF,

To a good kid who I'm going to miss. See you when I come back from time to time. Good luck with soccer and everything else.

Mike

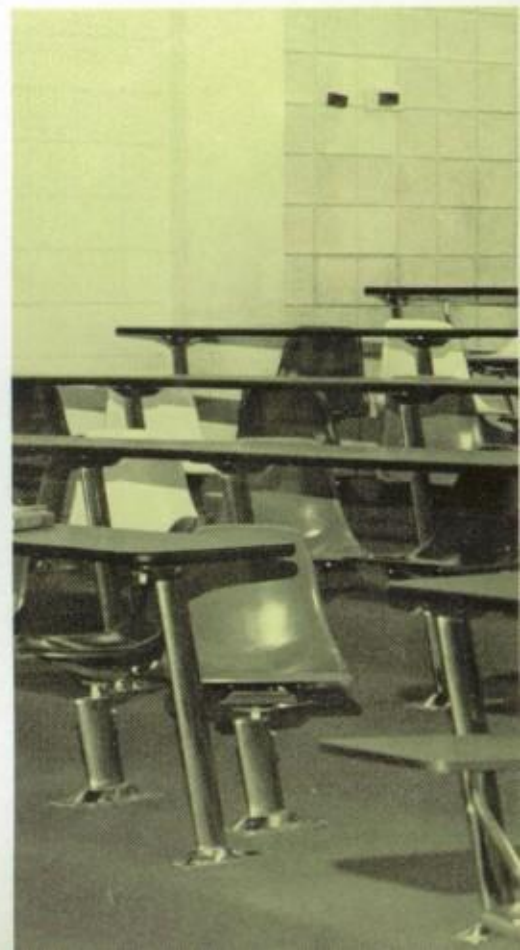

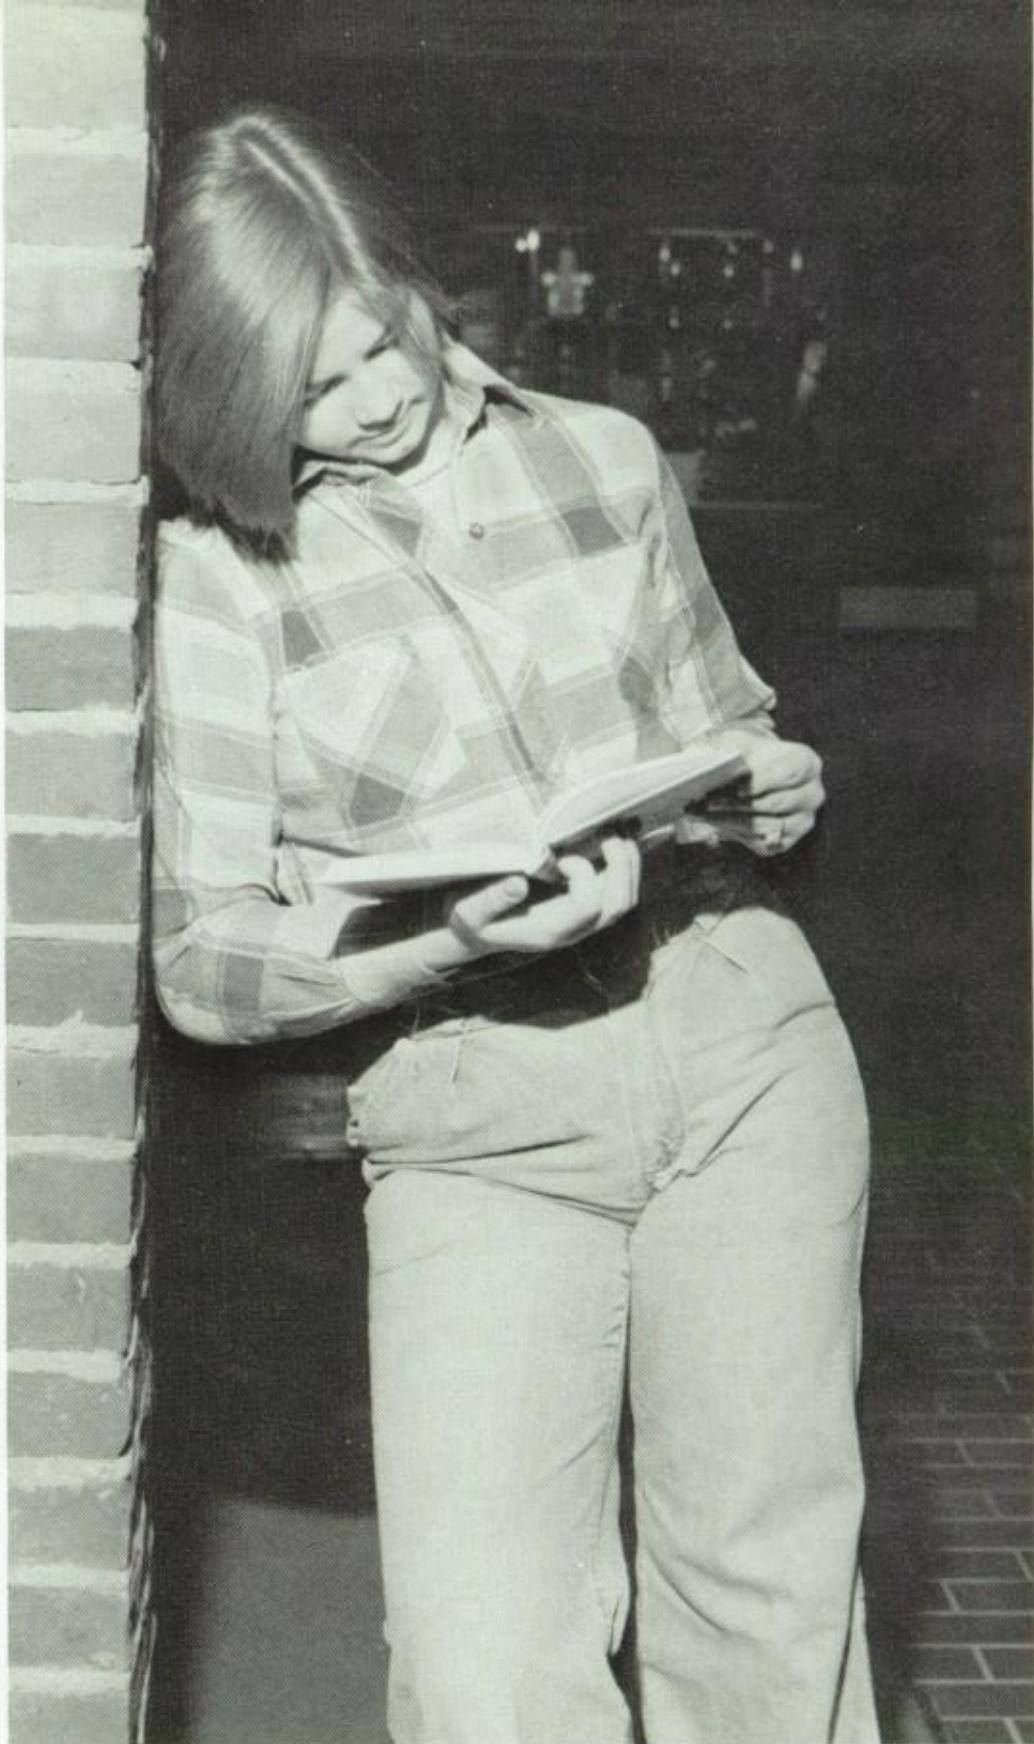

This is the year of remembering how good last year was

Jeff,

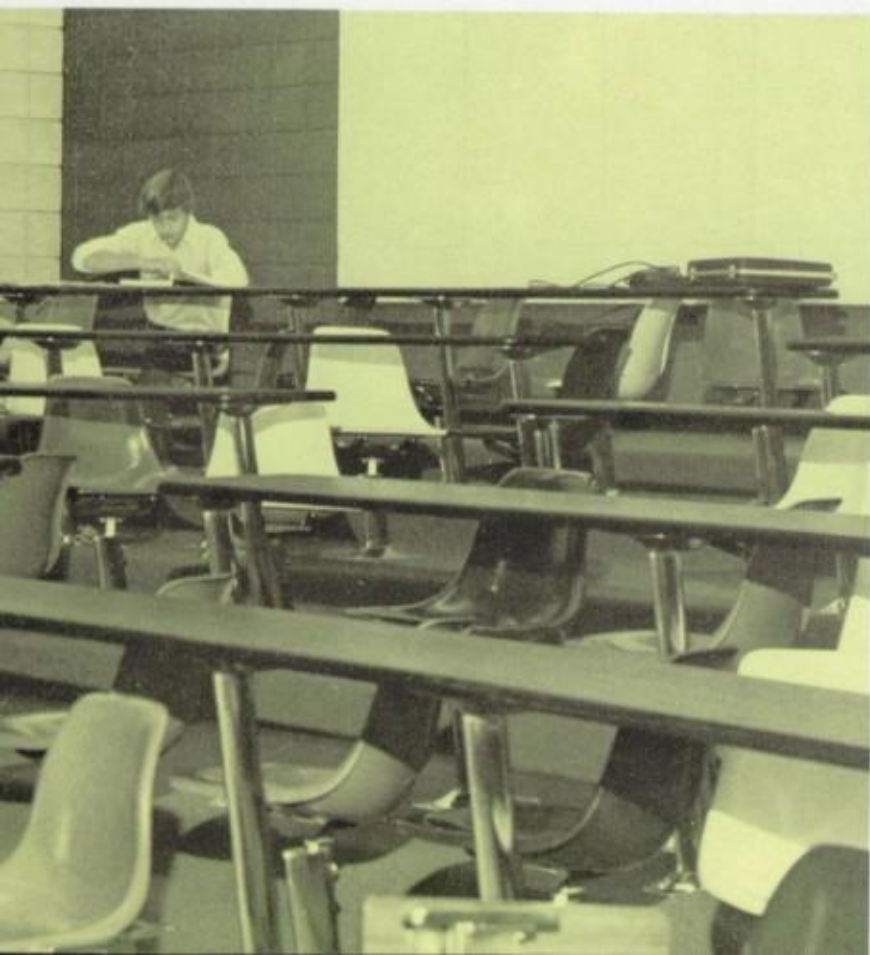

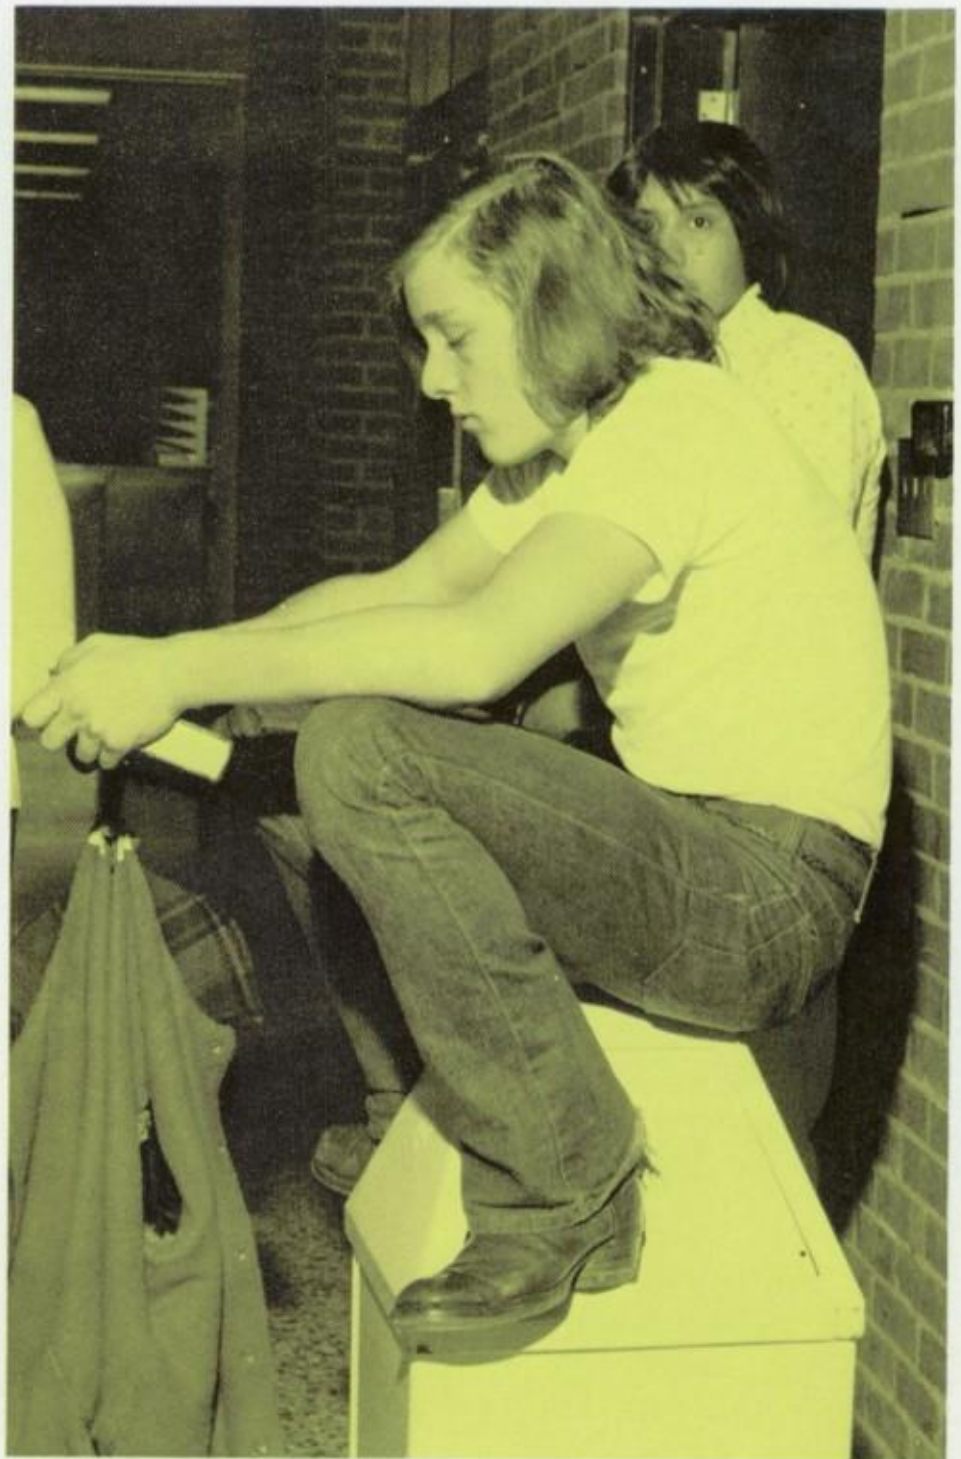

Now that you're a regular party go-er, we'll have to get together over the summer and do what we damn please. Hope to see you on the course with Bake, Tommy, and me, and hope you'll have a great summer

Eric

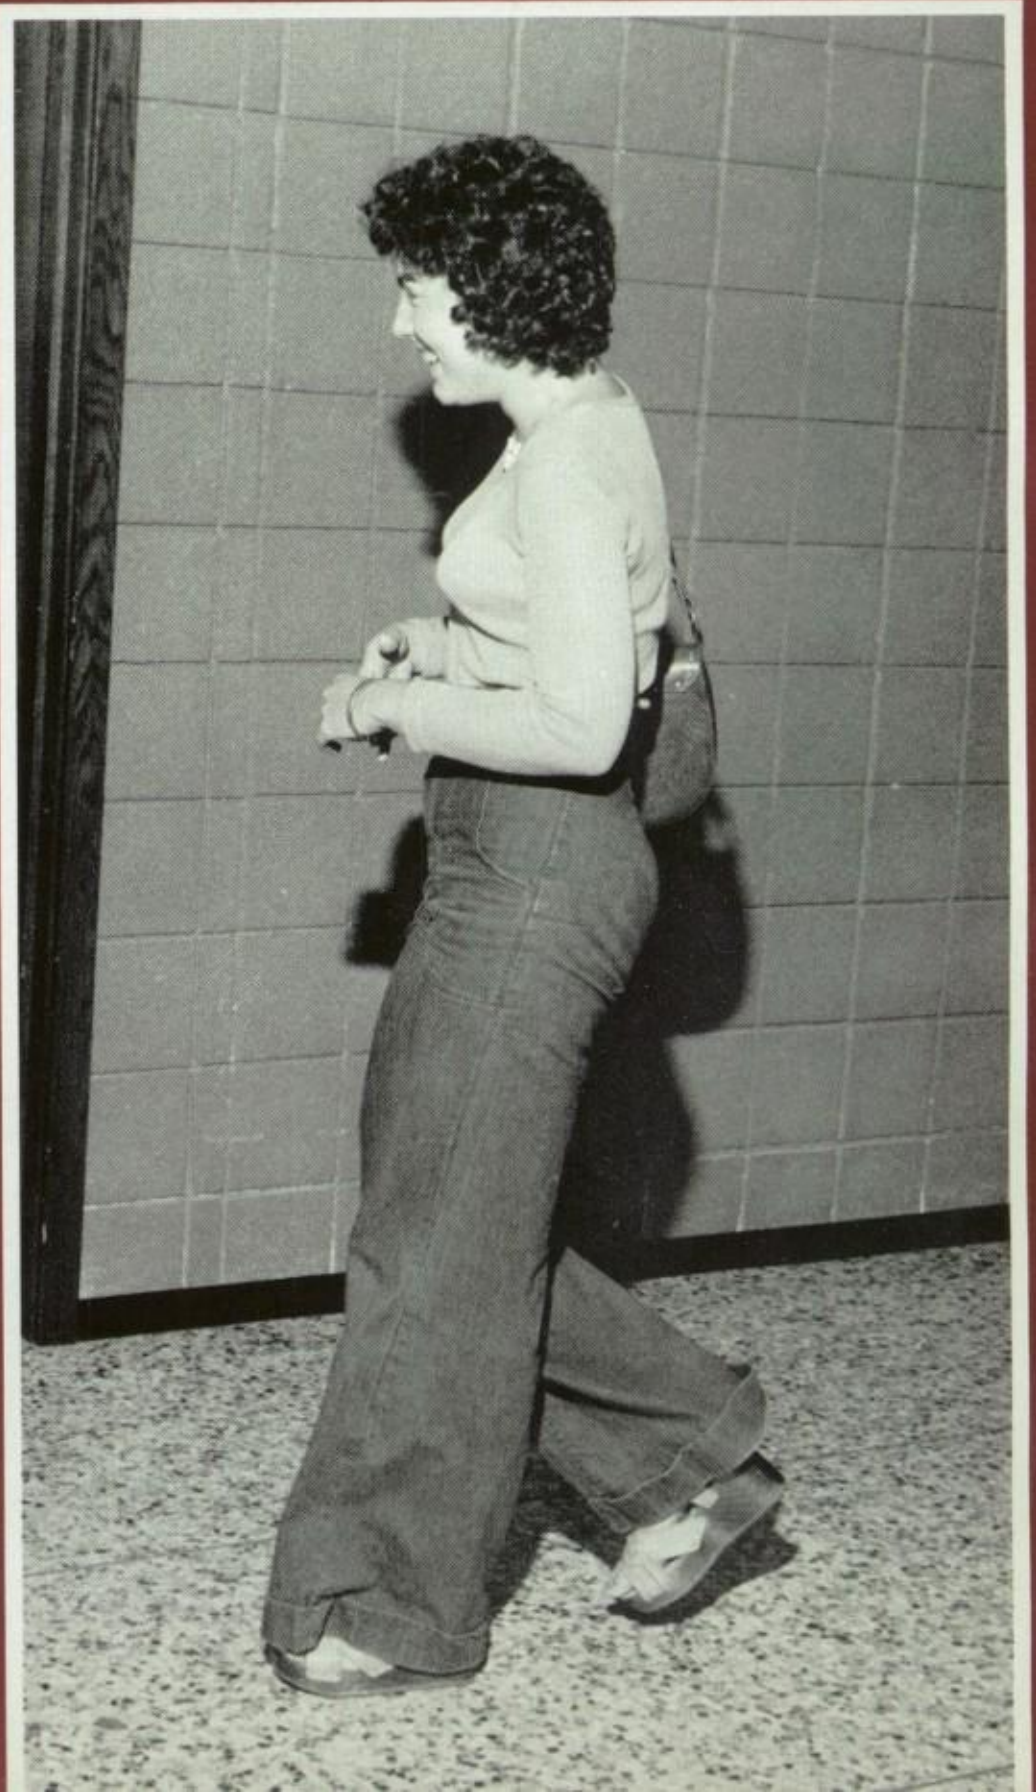

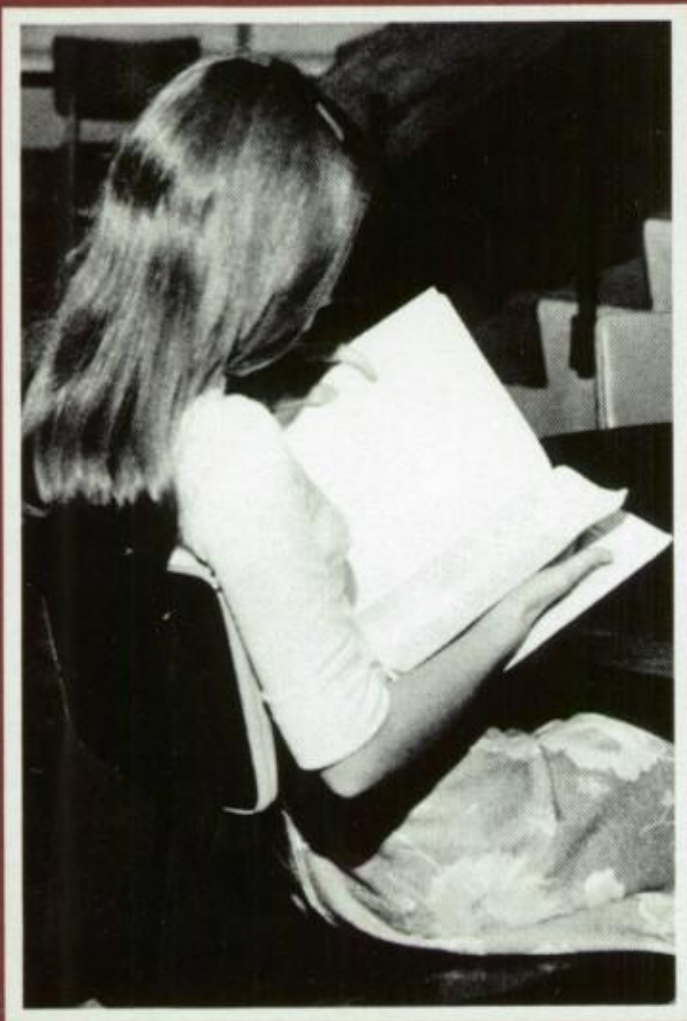

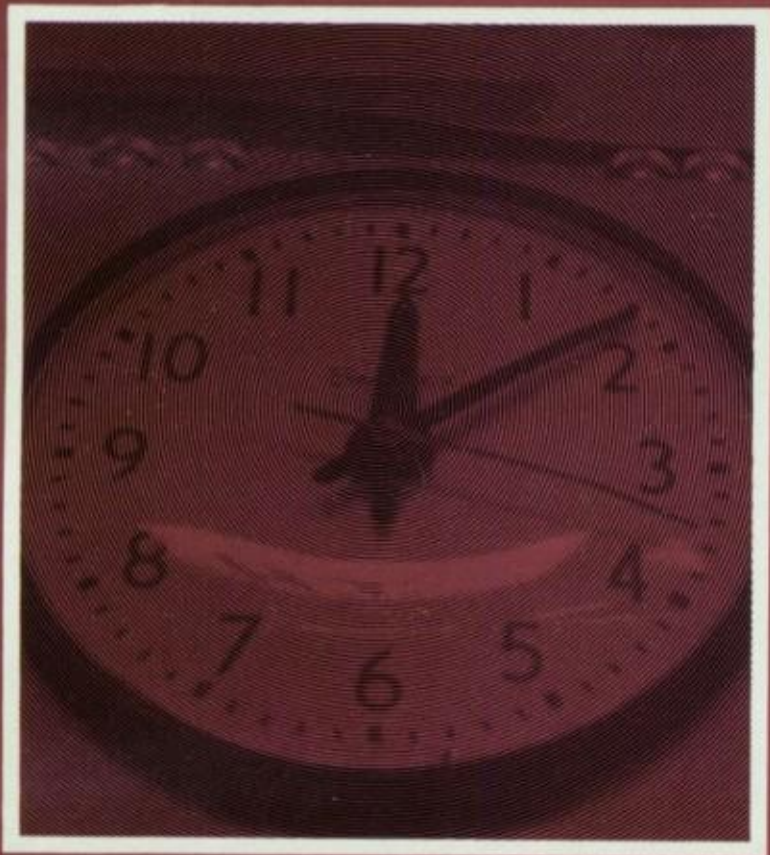

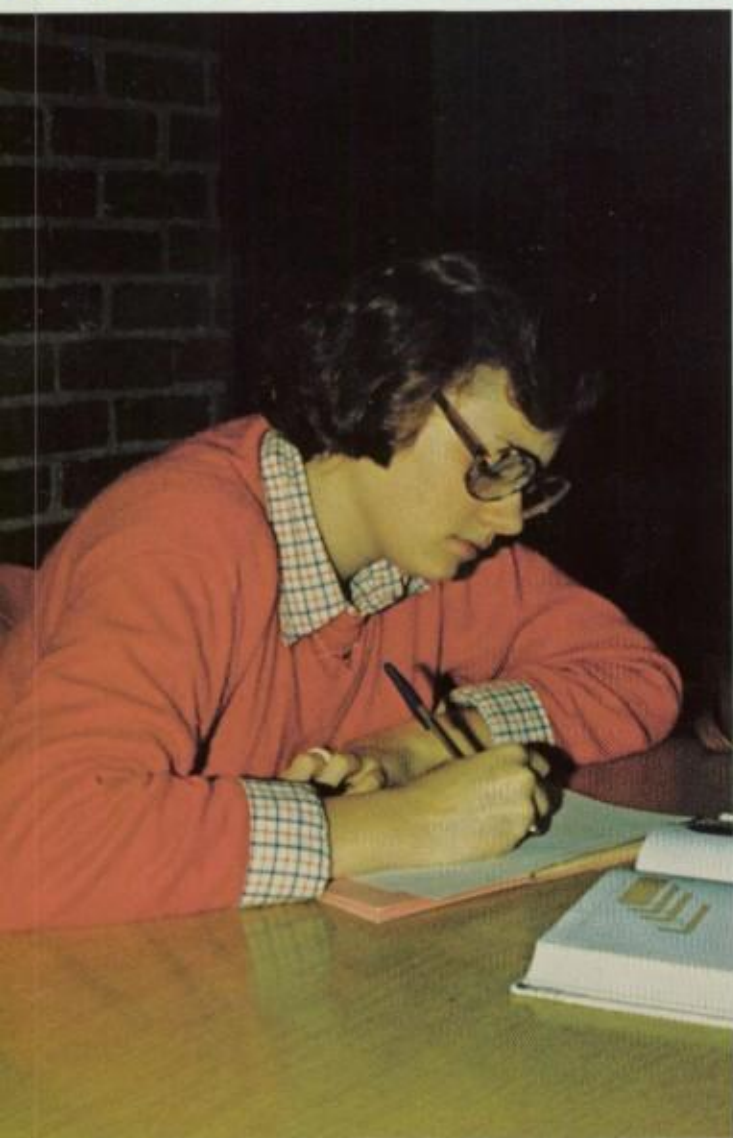

*This is the year of  
being your own person  
and doing your own thing*

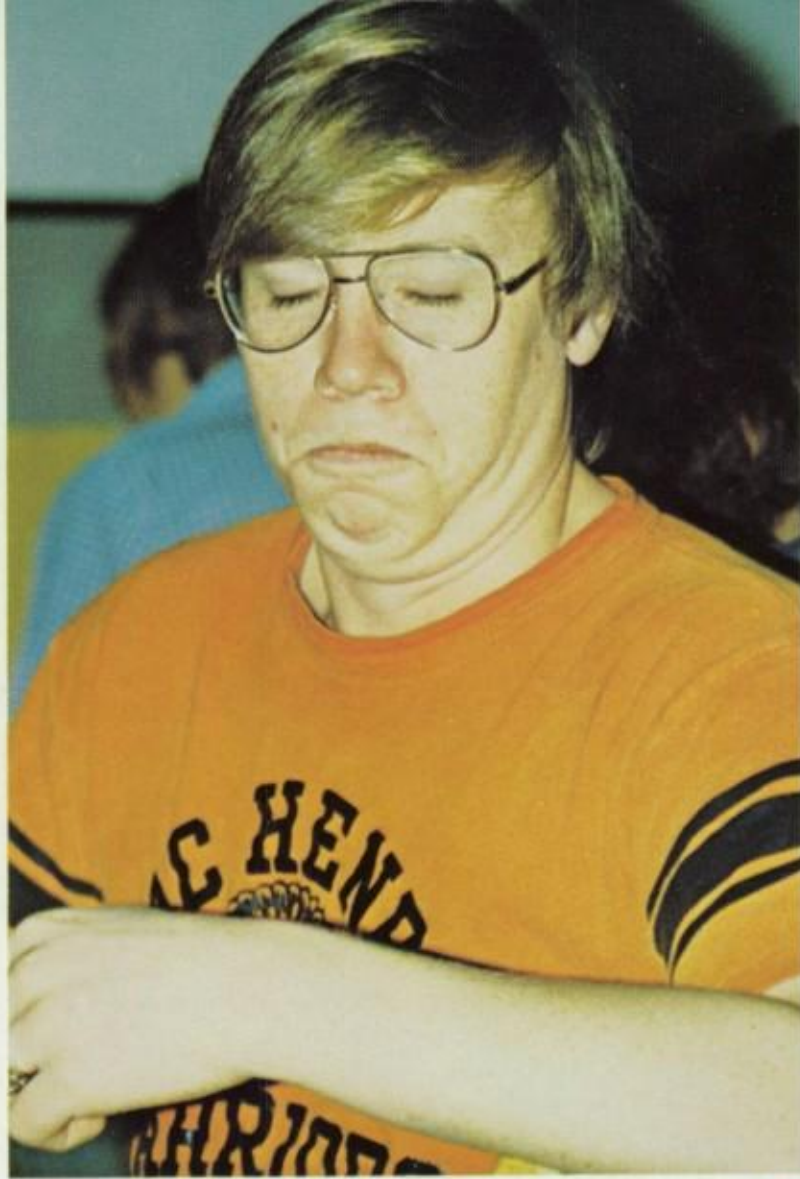

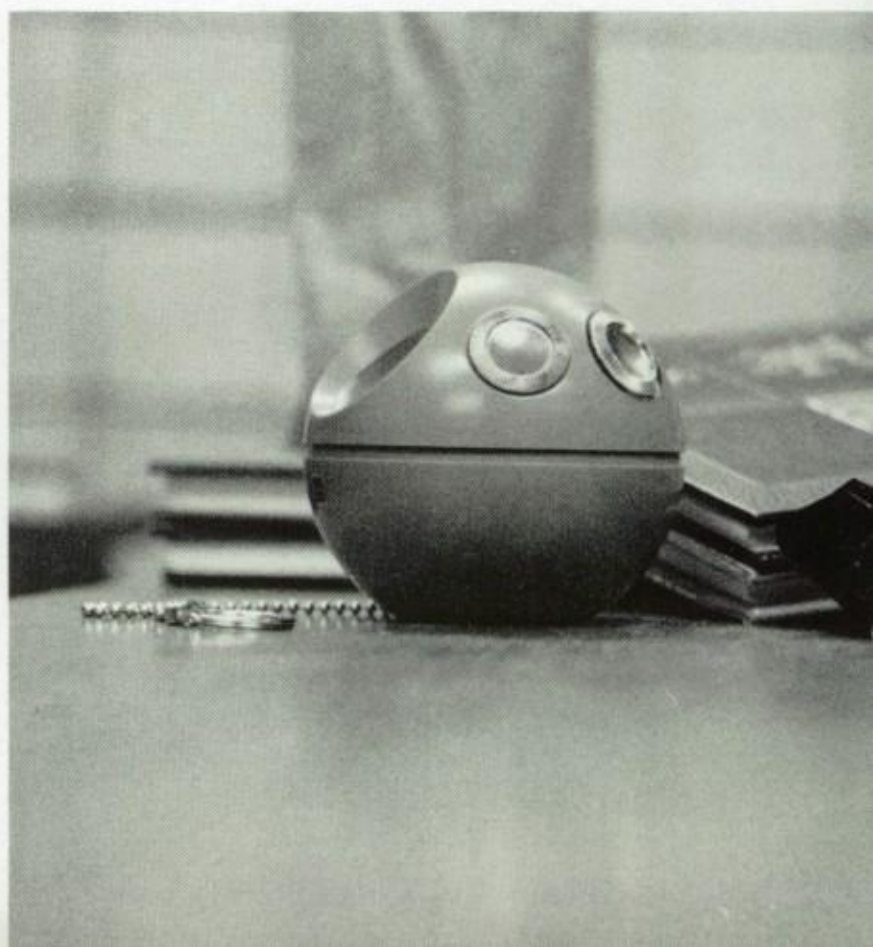

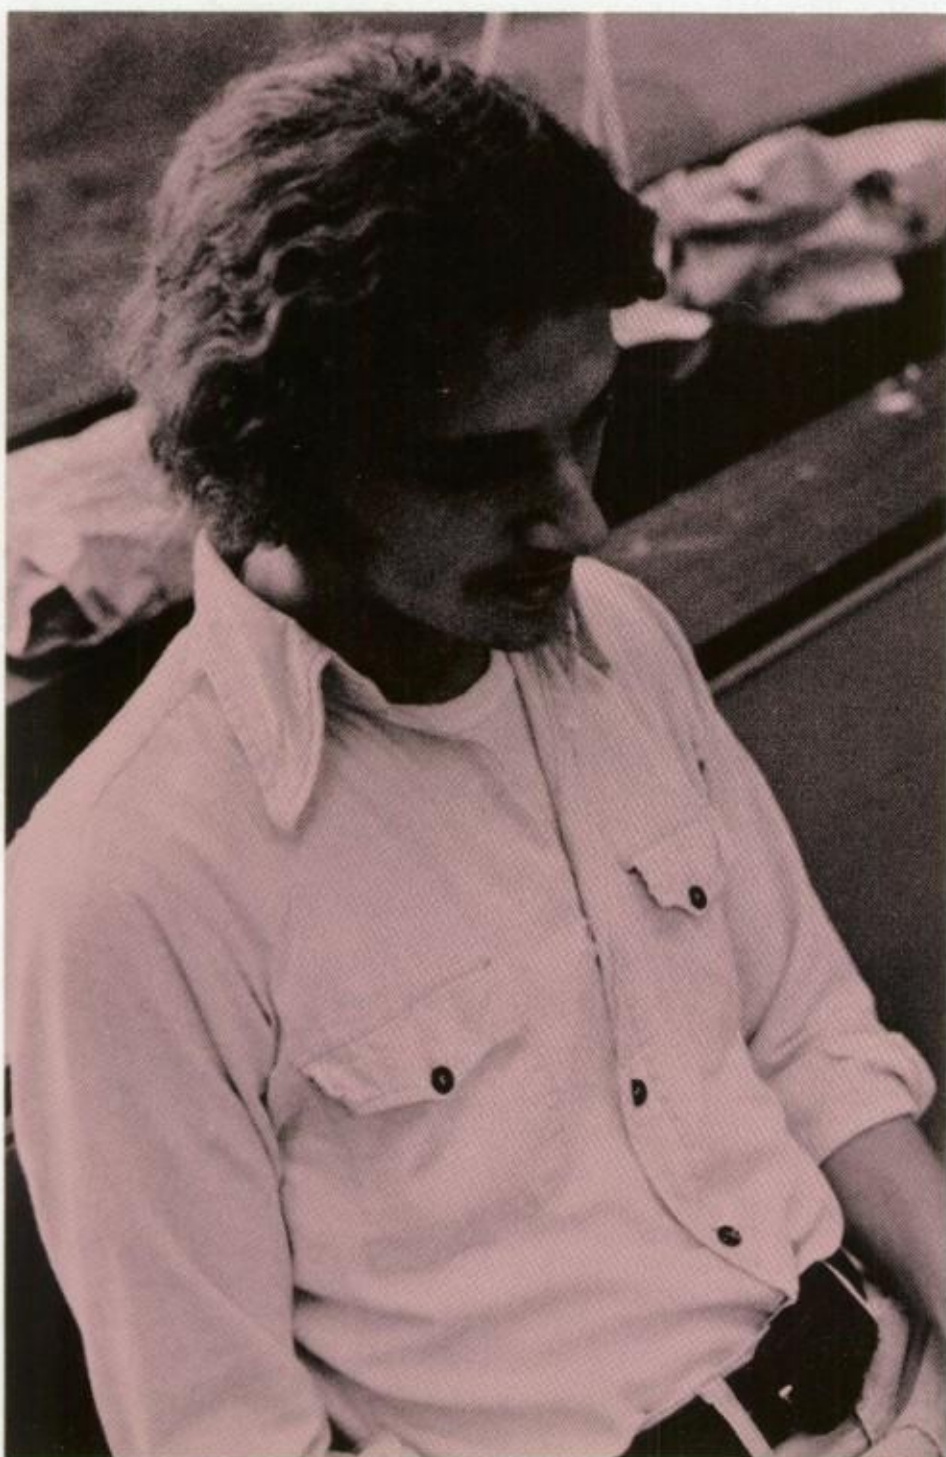

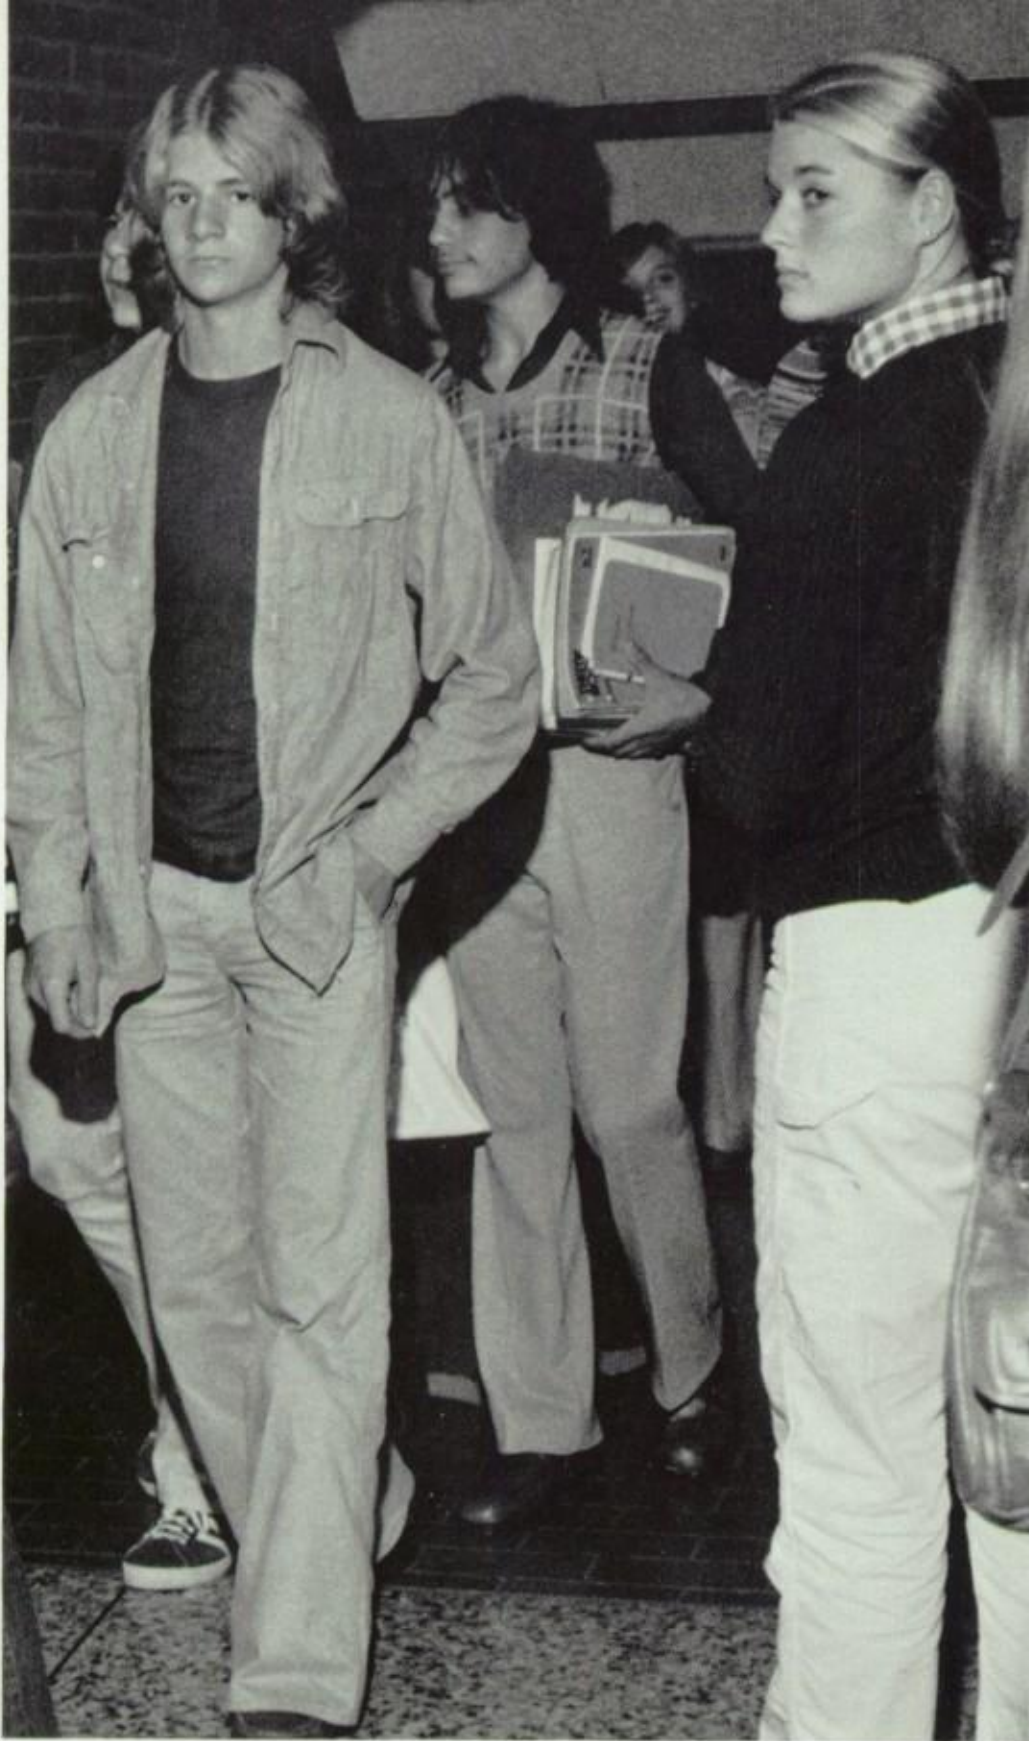

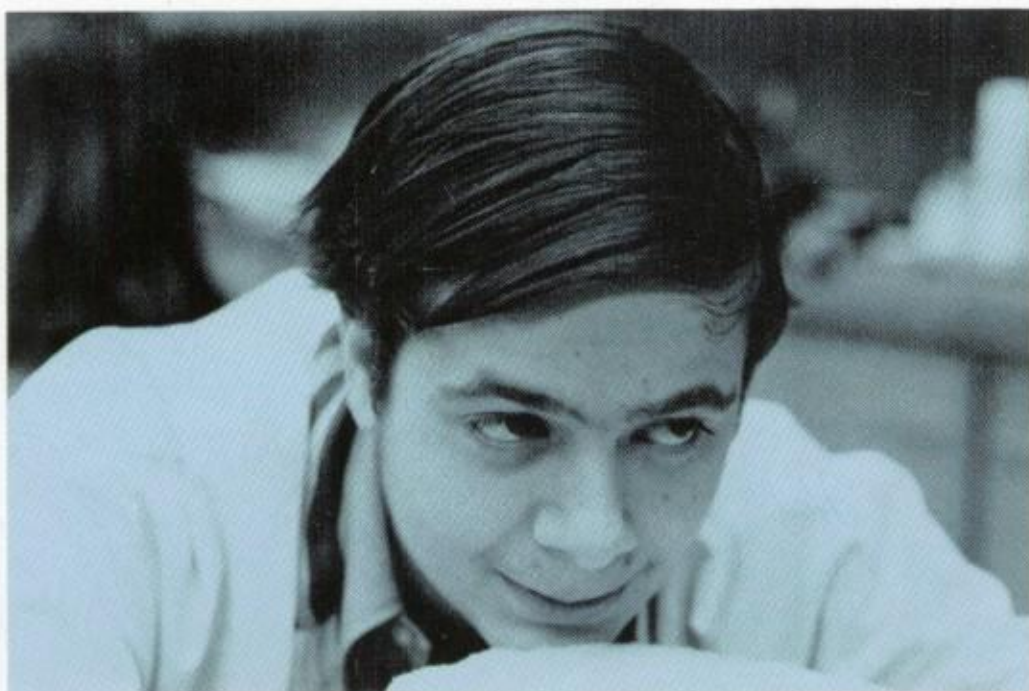

**This is the year of  
many questions and few answers**

Hess,

The f---ing years over! What would  
I have done without all your f---ing swearing.  
Remember Florida and your chicks from the  
Holiday Inn. Remember Lunch with Nuck, Chuck  
(sloth), Glavin the rat. We'll have to get together  
over the summer and get some chicks to get  
down '40. See <sup>you</sup> all summer.

Frank

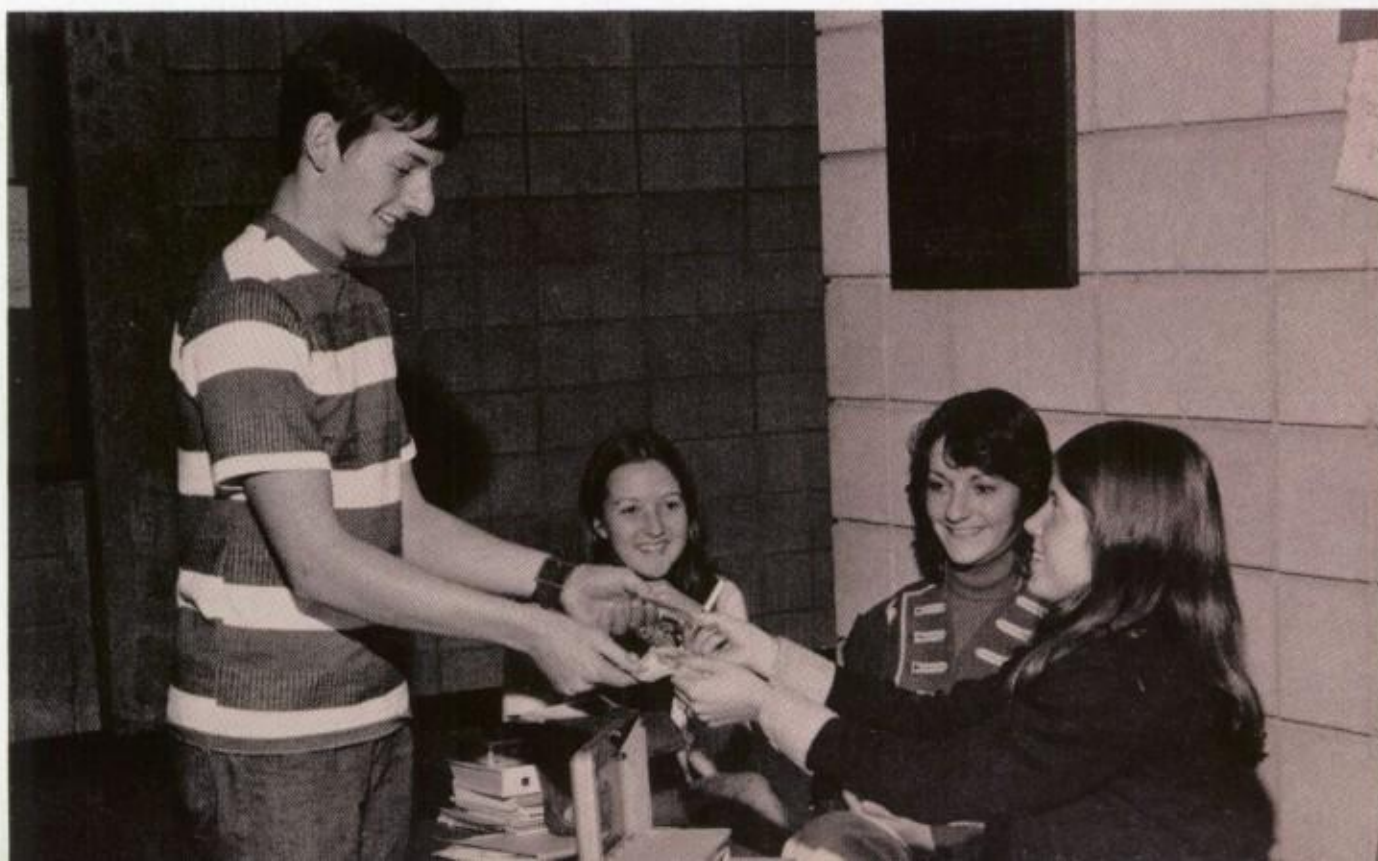

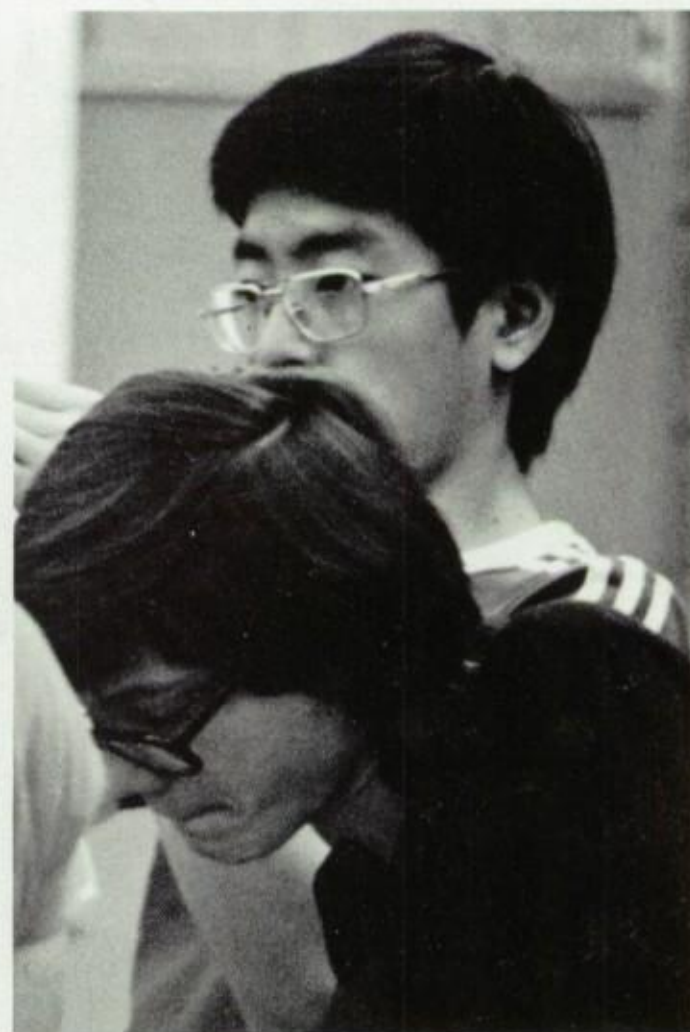

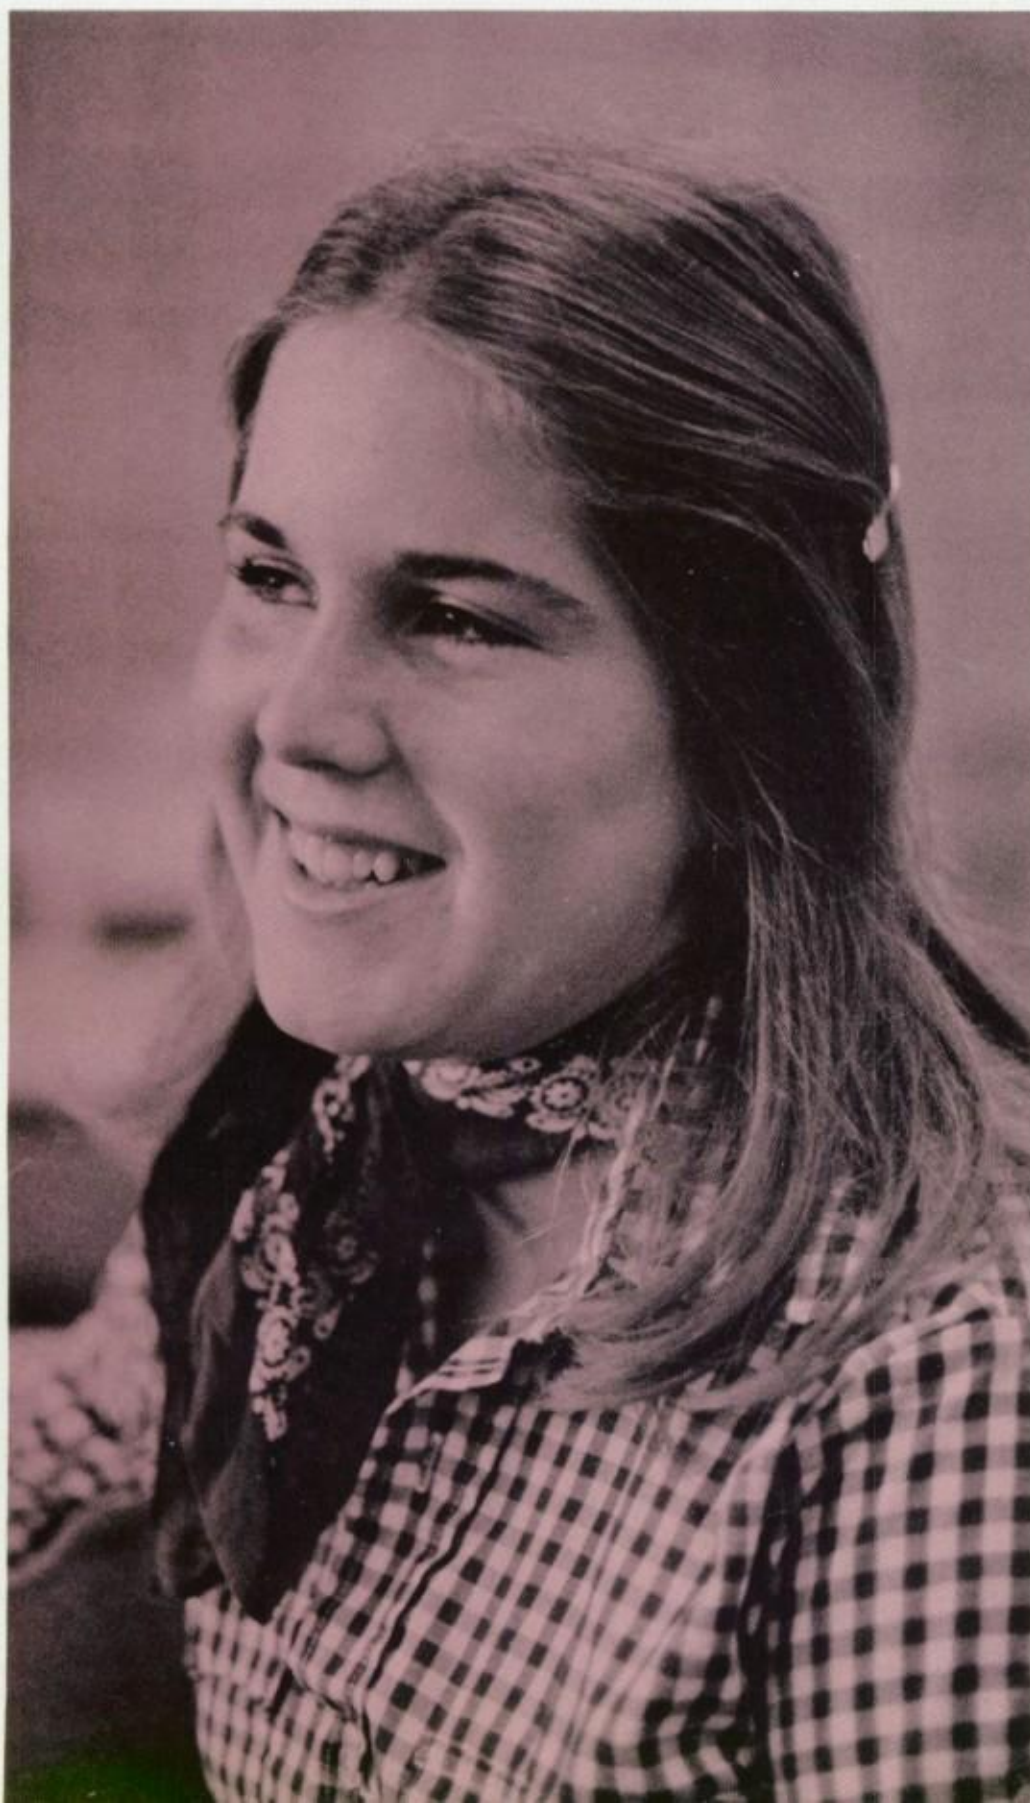

*My dream is to get over the summer and get done.*

## The Past

Everyone talks about their past sometime. In ten years you'll look back at high school and you'll remember your past. The friends, the fun, the good times, the bad times, and everything else will be retraced.

Conjuring up reminiscences is a purpose of this book. So leave it in a convenient place — in between your mattresses, under an uneven table leg, or maybe even with your book collection. Someday you'll want to know a friend's address, recall the football season, or find out who your English 12 teacher was.

Like a good wine, this volume will improve its value with age. It will take you back to . . .

Take care Jeff and keep in touch.

#### Graduation

The end of one life

The beginning of another

#### Sadness

Friends going their separate ways,  
Scattered to the far ends of the earth.

Will I ever see them again?

#### Alone

The feeling that grows within me

Decisions to make—

No one to turn to for advice.

What will comfort me?

New friends and challenges to meet

Everything different—

A new life.

Mrs. Riccio's girl's softball team finished its season with a fine 6-3 record, placing them in third place in the NFL. The Lancerettes were kept alive at the plate with excellent hitting by Barb Brown and Sherrie Lowe throughout the season. Julie Hays captained the infield while Sue Battaglia controlled the outfield movement. We hope the girls bring another winning season back to Lew-Port again this year. Mrs. Riccio's

girl's basketball team continued their winning tradition with a 9-3 record so far this year with six more games to play. The team will be looking forward to another fine season next year with only three seniors leaving: Cindy Bullis, Sherrie Lowe, and Julie Hays. We wish the team luck with the rest of their games. Young, spirited and enthusiastic describe Mrs. Tracy's gymnastic team of 1975. The girls put out a

fine effort in placing fourth in the league with a 3-3 record. All the members of the team are juniors and sophomores so all hope to be back for next year's season. Some outstanding individual efforts were made by Jenny Morrow, Mitzi Breitsman, and Carol Broderick, who qualified for sectional competition. With everyone returning next year, the season looks very promising and successful.

This year's Girl's Varsity Volleyball Team, under the coaching of Mrs. Riccio, finished this season with a perfect record of 10-0. Teamwork was one of the main factors of such a fine season. Lew-Port's team dominated the All-star selections with seniors Cindy Bullis, Julie Hays and Sherrie Lowe making the first team, made up of six players from

the league. Also Maryanne Butler was given honorable mention in making the second All-Star Team. Next year's squad looks very promising also, with five returning Varsity players and some outstanding JV players from this year's squad. The 1975 Girl's Swim Team, Coached by Mrs. Tracy, had a very close and exciting season this year. Even

though their record was 2-5 many meets were lost and won by only a few points. With six senior graduates, the team was left with little experience for this upcoming year but many new ninth graders are bringing up some fine talent to help fill in the slots and finish balancing out the entire team.

The Lancer's Green Machine finished another fine season of seven wins and two losses. The Green Machine, noted for its defense, did it again holding their opponents to few or no points on many occasions. Mr. Rao's Lancer's showed well executed team play along with some fine individual efforts as well. Captains Mark Czaja and Tom Blinco were both named to the All

State Team this year and after graduating are planning to continue their football careers in college. The outlook for next year's team seems to be just as good as ever with many returning standouts, like quarterback Al Whitehead and wide receiver Joe D'Amico. A very promising JV squad from this year should help to keep the Lancer's Green Machine in the winning bracket.

## Football

Lew-Port's Soccer team, under the coaching of Mr. Internicola, compiled a record of two wins and thirteen losses. Even with a losing season, captains Steve Larkin and Andy Soh were selected to the NFL All Star Team for their outstanding individual contributions on the soccer field. Next year's team seems to look very promising for the Lancers, because of the number of underclassmen

on the team. With some student support and team effort, next season should prove to be very successful. The Lew-Port Golf team, under the direction of Frank Weiss, continued its winning tradition with another fine season. Overcoming a mediocre start, they finished strong, winning their last three matches, to bring their final record to 5-2-1, placing them third in the nine team

Niagara Frontier League. In final tournament play, Lew-Port finished second out of nine teams at the Ransom Oaks Country Club. Every member of the team played well in the All-City Tournament, with Dave Bernstein taking medalist honors to lead Lew-Port to a victory over five other area teams.

This year's Lancers Varsity Basketball team established an impressive 9-9 record for 1976 season. The Lancers are coached by Mr. Walker. They showed excellent individual talent

and team play. The Lancers will be losing two senior starters in Mike Battaglia and Jeff Humes, but next year looks promising with juniors Mark Wadlinger, Joe D'amico and

Don Trunzo. Also a fine JV Squad shows some fine up and coming talent to balance out next year's team.

The Lew-Port wrestlers turned in a disappointing 2-8 team record this season, while under the coaching of Mr. Rao. With the hard work and effort the boys put in, they individually displayed some fine talent. This team is very young and some experience from this year will lead it to a more successful year ahead. Outstanding efforts were made by Brad Rose and Doug Adamson in qualifying for sectional competition. Doug was also named Most Valuable

Wrestler, while Jeff Salvatore was named Most Improved Wrestler. Jeff and Dave Emery were the captains of the team. Last year the ski team turned in an excellent record, placing them first in the state, making them Western New York Champions. So far this year they are ranked fourth and their season is not yet completed. We hope the team stays up on the top and continue their winning tradition.

Despite a losing season, the boy's varsity swimming team showed some excellent individual talent. Under the coaching of Mr. Lawler and Mr. Artieri, the future looks brighter

with many returning and fine upcoming swimmers. The Lancers leading point scorer was diver Jim Carminati. Jim and Dave Conn will represent Lew-Port at sectional com-

The road for success was long and hard for the boy's varsity baseball team of 1975. Through the coaching of Mr. Pucher the team turned in a season of 10 wins and 10 losses. This

year's team will be mostly underclassmen because last year's team was mostly made up of senior graduates. The captains were Jim Zymroz and Jim DeGuilio. This

year's senior is Bill Tabbert along with other seniors and juniors. The team is looking to improve last year's record and bring a winning season to Lew-Port.

The track team displayed some excellent individual effort with captains Mark Muggleton and Gary Bowser and other graduating seniors. This year's team will be mainly made up of underclassmen and hopes for a winning season are high.

If effort and spirit help to create a winning season then the Lancers should be on their way to future successful seasons. Cross country is a very demanding sport, both mentally and physically. This year's team, lead by Mr. Pacia did much of their

running in all different kinds of weather. Running itself is hard enough without having to fight the weather, too. The team was small but dedicated and hopes to be looking for more successful years ahead.

## *In Memory of David Lozo*

For many years Mr. David Lozo served our school in various areas. Before becoming our Vice-Principal, he had been a coach for football and J.V. Baseball teams. In the early fifties, he was a social studies teacher in the Junior High School. However, we will remember him most as our Vice-Principal.

We express our gratitude to his devotion to education.

Jeff-  
 well, what can I say? we weren't in any of the  
 same classes together, but we managed to see each other.  
 You're a special person to me, more than just a friend.  
 I'm really glad our families are so close because  
 through them we got **Best Wishes** to be close too.  
 I might have been living at your house next year  
 if my parents had moved to Hong Kong & Peter's hadn't  
 offered, but you got lucky & I'm staying at my own  
 house. Remember our trip **from** down to Florida, the  
 vibrating bed, no towels or soap etc. (that's 50¢ extra!  
 my bowling average & how you thought you lost your  
 wallet. Remember talking for an hour & 1/2 in Ho Joe's  
 pool & the sauna bath. Don't forget meeting at  
 Walt Disney World. It was really great to be in such  
 a fun place with your friends. The space mountain  
 was the best ride there. I never laughed so  
 hard in my life. Someday, I'll  
 get my picture taken with Mickey

As you know, we need good, young people who want to serve their Country. We need some to serve it in the United States Army.

We may not have a draft. But we still have a need.

Army life is not for everyone. You may get up early in the morning, work hard all day, and hit the sack, dog-tired, long after the sun has disappeared.

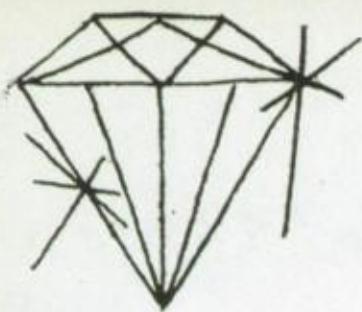

But for those who are up to the discipline Army life demands, the rewards are great. Job training. Good pay. Travel. In-service educational opportunities. And a chance to grow as an individual.

If you're interested, give us a call. We think you'll be a better person for it.

Jeff,

It was a really great year! I can't wait until next year when we are Seniors. I'm really glad that I got to know you better this year. I had a lot of fun talking to you in study hall until you got changed. I feel I became close to you and got to know you better through that. Good luck with soccer next year. I'll be there to cheer you on. I still can't believe that I will be out there cheering next year. I hope we can continue to be good friends and I hope I'll be seeing you a lot this summer. (probably at the beach).

Love,  
Liz

Jeff —

What do you say to a person you felt so close to at one time and now you hardly even speak. Let's change that! I'll never forget the times we spent together. "Jaws", D.Q., the time we walked to the Fort and we really talked then. You were a true friend last summer when I needed my friends around. Don't forget my broken finger. I look back on this past year and can't believe how things have changed. I am really glad for you and Doreen and I hope things continue. Remember Disney world and how we ran into each other. What a riot! Space mountain and everything else we all did there. Asking the guy to take our picture. Well, let's continue to be friends and I hope I see you this summer →
